ABOUT

Omar Mohammad is a San Francisco based designer, programmer, and artist exploring the realms that exist between art, design, & technology.

EDUCATION

UNIVERSITY OF CALIFORNIA, DAVIS

B.A. Design & Minor Computer Science | 2018

UNIVERSITY OF CALIFORNIA, BERKELEY

Simultaneous Enrollment | 2017 - 2018

Arts + Design

EXPERIENCE

UC DAVIS LIBRARY

Graphic Designer | 2017 - Present

Designing communication materials, both print and digital, for the communications and development teams at the University Library.

OMARMHMMD

Freelance Design | 2015 - Present

A creative studio under which media is produced through freelance and personal work for driven youth within the fields of art, tech, and entrepreneurship.

CITRIS & THE BANATAO INSTITUTE

Web Development & Design Intern | 2017

Redesigned default CMS template website with custom HTML & CSS to follow previous brand guidelines. Also designed widgets, banners, and icons for the website and other web based projects.

TELEGRAPH ACADEMY (HACK REACTOR)

Design Intern | 2015 - 2016

Utilized visual design, creative direction, and branding to build an online presence while communicating the company's role of fostering inclusion and diversity in the Bay's tech industry.

INVOLVEMENT

BERKELEY ART MUSEUM PACIFIC FILM ARCHIVE

Student Committee Member | 2017 - Present

Connecting the students of UC Berkeley to art, film, and the BAMPFA through student run events, pop-ups, and workshops created to build engagement not only with the museum but with the student body as a whole.
